A match between Art Simms and Billy Gardner is being arranged by the Knickerbocker Athletic club, of Lowell, Mass.

Some time ago the club promised to give a purse for a contest in which Simms was to appear. Gardner is a good man, fighting at 128 pounds at the ring-side.

The Akron lightweight received a letter today from Robert Mitten of Lowell, announcing that Simms could have a match with the winner of the Gardner-Plaherty contest. This is to take place at Lowell. Mitten says that Art could find plenty of work there in his line if he decided to go East.

YACHT RACES.

WATTS' GREAT RECORD.

Billy Watts, the star pitcher of the South End Athletic club, has made a great record this year. He has been in the box in 19 games and has pitched his team to victory in eight of the contests. He will pitch for the team in the game with the Kirkwoods, Saturday. It is probable that either Price or Washer will do the twirling for the Kirkwoods. The South Ends expect to win the series with the Kirkwoods. The three games will be played within a week. The second game will take place on the Fourth

CHECKED SOUTH.

When the first keen winds of winter begin to be felt in the North, many an invalid is hurried away by anxious friends to the kinder climate of the South. The cause is apparent as you look at the hollow cheeks and listen to the rasping cough of the traveler.

Persons suffering with weak lungs, obstinate cough and severe hemorrhage even, have found the change of climate made unnecessary by the use of Dr. Pierce's Golden Medical Discovery. It strengthens weak lungs, cures obstinate coughs, and builds up the body with sound, healthy flesh. It contains no alcohol, neither opium, cocaine nor other narcotic.

"I feel that I owe a debt of gratitude to a friend for recommending your medicine, as well as to you for preparing such grand remedies for chronic diseases especially, which the doctors failed to reach," writes L. E. Staples, Esq., of Barclay, Oage Co., Kans. "I desire to pass the good word along for the benefit of others who need your remedies. I am a railroad agent, and four years ago my work keeping me in a warm room and stepping out frequently into the cold air gave me bronchitis, which became chronic and deep seated. Doctors failed to reach my case and advised me to try a higher air, but, fortunately for me, a friend also advised me to try Dr. Pierce's medicine. I commenced taking your 'Golden Medical Discovery,' and by the time I had taken the first bottle I was better, and after taking about four bottles my cough was entirely gone. This was a year ago last winter, and again last winter I took about three bottles to prevent a return of the trouble. I have found no necessity for seeking another climate."

GOVERNMENT DOWNED.

A team made up of the employees of L. S. Myers & Co. and The Upham Brouse Co. played a team from the Postoffice, Wednesday evening on the Buchtel grounds. The P. O. team was defeated by a score of 14 to 7. Upham pitched for the winners and Kieckner for the losers. During the game Joe Thomas, catcher for the winners, had the second finger on his right hand broken by being struck by a bat. The injury is serious.

Thousands are daily testifying to the wonderful efficacy of Bromo-Poplin for indigestion, headache, insomnia, nausea, and brain fog. Many physicians are prescribing it because it really cures and is absolutely harmless. All druggists, 10c., 25c., and 50c. per bottle.

What Is a Novelty?

Webster defines it as follows: "Of recent origin or introduction," of a kind not before seen. Known as heard of. Something unusual and new. The performance of the great Marcellinas at Summit lake park this week, is in the strictest and truest sense a sensational novelty. Novelty is the great parent of pleasure. "South."
